About the American Liver Foundation

The American Liver Foundation's mission is to facilitate, advocate, and promote education, support, and research for the prevention, treatment, and cure of liver disease. For more information on ALF, please visit ALF's website: www.liverfoundation.org.

About the *Love Your Liver* Program

Love Your Liver is ALF's interactive liver wellness education program targeted to elementary, middle, and high school students. The *Love Your Liver* program has successfully reached over 50,000 students.

It is the American Liver Foundation's hope that after participating in the *Love Your Liver* program, students will have a greater awareness and understanding of the liver's importance and will take action to maximize their liver health and to prevent the spread of liver disease.

All *Love Your Liver* volunteers receive a comprehensive training on the program and its implementation.
