Mental Health And Your Liver

The American Liver Foundation has a helpline to find information and local resources at 1-800-465-4837.

The American Liver Foundation is partnered with Inspire.com to create an online global support community. Visit http://www.liverfoundation.org/support/ for more information.

Doctor's Tip

If you have underlying liver disease, let your doctor know if you or your family notice changes in your mood, behavior, memory, or level of alertness.
- Bianca Chang, University of Chicago
