

SHOW-ME ECHO

CHILD PSYCH

CHILD AND ADOLESCENT BEHAVIORAL HEALTH SPECIALIST SUPPORT FOR PRIMARY CARE

Get expert behavioral health specialist knowledge in a virtual learning network with University of Missouri and Compass Health providers. Learn about best practices and evidence-based care for children with behavioral health concerns, including:

- American Academy of Child and Adolescent Psychiatry (AACAP) practice parameters
- Pharmacologic and non-pharmacologic therapies

WHAT DOES CHILD PSYCH ECHO OFFER?

- Free CME for health care professionals
- Collaboration, support and ongoing learning with experts and other health care providers
- Integration of behavioral health in primary care

WHY CHILD PSYCH ECHO?

Child Psych ECHO empowers and supports primary care providers to more effectively and confidently treat patients suffering from behavioral health issues. The Child Psych ECHO is an integration of medical, pharmacological and psychological considerations into the treatment of the behavioral health patient.
