

American Liver Foundation

Primary Biliary Cholangitis (PBC) Mind-Body Workshop

June 21st, 2019 10:00am - 3:00pm

Leukemia & Lymphoma Society Office

61 Broadway, Suite 400

New York, NY 10006

The American Liver Foundation, in partnership with the PBC Foundation, is hosting a free mind-body workshop for PBC patients and caregivers. Robert Mitchell-Thain, Head of Education and Development at the PBC Foundation will lead this full day interactive workshop that will provide emotional, physical, and psychological self-management techniques for patients living with PBC and their caregivers.

To RSVP for this event, please email Megan Glynn at mglynn@liverfoundation.org
