

PREVALENCE OF LIVER DISEASE STATE FACT SHEET

American Liver Foundation (ALF) Liver Life Advocates — Raising Awareness, Advancing Change™, represents more than 100 million Americans affected by liver disease.

ALF is a national community of patients, caregivers and medical professionals dedicated to helping people improve their liver health. Providing guidance and life-saving resources, we are a beacon for the 100 million Americans affected by liver disease. We advocate for patients and families, fund medical research and educate the public about liver wellness and disease prevention. We bring people together through our educational programs and events and create a network of support that lasts a lifetime. ALF is the largest organization focused on all liver diseases and the trusted voice for patients and families living with liver disease. For more information visit liverfoundation.org or call 1-800-GO-LIVER (800-465-4837).
