

## PREVALENCE OF LIVER DISEASE STATE FACT SHEET

American Liver Foundation (ALF) Liver Life Advocates—Raising Awareness, Advancing Change™, represents more than 100 million Americans affected by liver disease.

### Oregon Residents Affected by Liver Disease

#### Lucas W.

Lucas advocates to raise awareness about the importance of liver health and early detection in the medical community. As a patient with alcohol-associated liver disease, Lucas has witnessed many primary care physicians dismiss liver health and liver disease. He hopes to educate everyone, including non-liver experts, about the role of the liver and how vital it is to their life and overall well-being.

### State Statistics

<b>926</b>	Oregon residents died from liver disease/cirrhosis in 2022
<b>107</b>	liver transplants were performed in Oregon
<b>74</b>	people are on the liver transplant waitlist
<b>56</b>	Oregonians have died while on the liver transplant waitlist
<b>9.1%</b>	of adults in Oregon have diabetes
<b>31.1%</b>	of adults in Oregon are overweight or obese

### ALF 2025 Legislative Priorities

- Increase funding for MASLD research and education
- Expand liver disease surveillance and prevention efforts at the CDC
- Finalize coverage for anti-obesity medication under Medicare Part D
- Support laws like the [Living Donor Protection Act](#), [Safe Step Act](#), [HOLD Act](#) and [HELP Copays Act](#)
- Improve access to liver disease treatments and reduce out-of-pocket costs

ALF is a national community of patients, caregivers and medical professionals dedicated to helping people improve their liver health. Providing guidance and life-saving resources, we are a beacon for the 100 million Americans affected by liver disease. We advocate for patients and families, fund medical research and educate the public about liver wellness and disease prevention. We bring people together through our educational programs and events and create a network of support that lasts a lifetime. ALF is the largest organization focused on all liver diseases and the trusted voice for patients and families living with liver disease.
