R&B singer Al B. Sure! is reportedly increasing his security measures after publicly calling for an investigation into the 2018 death of Kim Porter, the mother of three of Diddy’s children. Many have speculated that her passing may be linked to the hip-hop mogul, a claim that has sparked renewed interest following Sure’s statements.

During an appearance at the American Liver Foundation’s National Legacy Gala in New York, the singer made a cryptic remark about heightened security, acknowledging the presence of Homeland Security at the event. “We even have Homeland Security in the building. Detective Jackson, good to see you,” Sure told the audience.

According to a source who spoke with [Page Six](#), Sure has “stepped up his security immeasurably” following his public remarks.

Last month, R&B singer and songwriter Al B. Sure spoke out against the controversial book claiming to be the late Kim Porter’s memoir, slamming it as “calculated fiction” and “fabricated BS.” Now, the “Nite and Day” singer has taken legal action, sending a cease-and-desist letter to both the book’s publisher and Amazon.

According to [Page Six](#), Al B. Sure, born Albert Joseph Brown III, is attempting to block the sale of the self-published book titled *Kim’s Lost Words*. The book, allegedly written under the pseudonym “Jamal T. Millwood” — which conspiracy theorists have speculated could be an alias for the late rapper Tupac Shakur — was published by Todd Christopher Guzze and quickly became a best-seller on Amazon.

The cease-and-desist, issued by Sure’s attorney Robert J. Hantman, claims the book falsely portrays Brown in a defamatory light, particularly accusing him of engaging in sexual relations with Kim Porter and her ex, Sean “Diddy” Combs. In the letter, Al B. Sure demands that the book’s sale be halted, and that Guzze, Amazon CEO Andy Jassy, and Amazon issue a public apology.

The letter also warns, “Should you fail to comply with these demands within ten days, we will have no alternative but to pursue all legal remedies available, including filing a lawsuit for defamation.” Sure expressed his disgust, calling the allegations “the most disgusting, heinous lie I have ever heard of in my life.”

As Al B. Sure seeks to clear his name, the saga surrounding *Kim’s Lost Words* continues to draw attention.
