

YOUR JOURNEY. YOUR VOICE. YOUR IMPACT

Whether you're a patient, caregiver, healthcare professional, advocate, donor, or supporter, there are many ways to help create a world without liver disease.

Learn. Connect. Support

Access trusted information, educational programs, and support resources for patients, caregivers, and families. liverfoundation.org/resource-center

Advocate

Shape policies that improve liver health, increase federal research funding, and elevate the patient voice. liverfoundation.org/advocacy

Share Your Story

Inspire, educate, and create change by sharing your personal journey with liver disease – no matter your connection. liverfoundation.org/sys

Walk. Run. Rally.

Whether you participate in a Liver Life Walk®, take on a Liver Life Challenge®, or host a DIY fundraiser, every effort helps advance our mission. liverfoundation.org/participate

Volunteer

Share your time and talents in support of the liver community. liverfoundation.org/volunteer

For Medical Professionals

Advance liver health on the front lines through continuing education, speaking and content development opportunities, peer-to-peer networking and research award grants. liverfoundation.org/medical-professionals

The American Liver Foundation Patient Registry™
